**RESPONSE TO RESTRICTION REQUIREMENT**

Commissioner for Patents  
Post Office Box 1450  
Alexandria, Virginia 22313-1450

Sir:

Responsive to the Office Action mailed March 9, 2006, kindly enter the following remarks.

**Election/Restriction**

The Examiner has required that the election of the following inventions be made:

- I. Claims 14-26, drawn to a method, classified in class 606, subclass 108
- II. Claims 1-13 and 27, drawn to devices, classified in class 606, subclass 167

Responsive to the Examiner's requirement, Applicant provisionally elects, with traverse, "II" above, which Applicant believes corresponds to Claims 1-13 and 27 and the species in Figure 1.

With respect to the Examiner's comments regarding the species, Applicant believes the species are not independent because Figure 1 is the apparatus in a "procedure-ready state" and Figure 8 is the apparatus "in a separated post-procedural state."

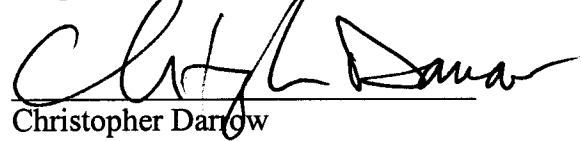

Applicant has complied with all requirements made in the above-referenced communication. Accordingly, examination of this application on the merits is respectfully requested. Should matters remain, which the Examiner believes could be resolved in a telephone interview, the Examiner is requested to telephone Applicant's undersigned agent.
